Immerse yourself in the many flavors of Europe on one of our unique Wine Cruises. These special itineraries offer guests a perfect blend of wine-related experiences and excursions in grand capitals and charming towns. Taste local cuisine, discover how wine is made and, of course, partake in tastings — all at no additional cost.

Each cruise is hosted by a qualified wine expert from North America, who brings hand-selected bottles on board. They will recommend food and wine pairings, lead discussions and hold tastings during your cruise.
